Prediction... Pain

Why can't God bring Justice  
With swift and mighty hand  
Mortals try eye for eye  
Might kill us all instead

Prediction... Pain

You're guilty when you're living  
We're guilty when you're dead  
Often wrong pretending  
To know the judgement in God's head.

Just children cast in the rain  
Just Fools playing with pain

Now closer to the light  
Not tethered by our string.  
Corrupted in moral satisfaction  
That playing God can bring.
